

Grow your  
Career with us

**Do you want to be part of a dynamic, creative global marketing team?** We are looking for a Graphic Designer and Video Specialist who will help tell our story, communicate our vision and explain the value of our products. Working in collaboration with the rest of the team to produce creative design for social, email, campaigns, events, and our website(s). **Unleash your creativity and make an impact!**

**Beyond Now** is a fast-growing ecosystem orchestration and digital platform provider, powering organizations to launch new services, monetize new technologies (e.g. 5G, IoT and AI) and grow revenue further and faster. We're building our team with the best people, and that's where you come in.

## Graphic Designer and Video Specialist (m/f/x)

Premstätten | Full-Time | Immediate Start

### What you'll be doing:

- Generating creative ideas with the ability to develop and elevate these to delivery
- Contributing to the creative planning of campaigns and events
- Deliver compelling and innovative storytelling, by adapting existing content and by originating new assets
- Create design assets (images, graphics, illustrations, animations, videos) as well as shooting and editing video to create high quality, polished content for our website, campaigns, social media, sponsored content, events, and our training platform.
- Communicating ideas clearly and convincingly and explore new platforms and new ways of executing ideas

### What you bring to the role:

- A motivated and dynamic self-starter with strong attention to detail who can operate independently as well as part of a team to create high quality content, problem solve on the fly, and multi-task under tight deadlines
- 2-3 years of experience as designer and video specialist in a similar role
- Advanced knowledge of Microsoft Power Point, Adobe CC – InDesign, Illustrator, Photoshop, After Effects
- Experience in shooting all required content, including lighting setup, audio and multiple cameras
- Experience in shooting content in both studio and occasionally on location
- Hands-on experience with editing software (Adobe After Effects, Final Cut Pro X, Avid Media Composer, Lightworks, or Premier)
- Willingness to travel globally (est. 10%)
- Fluent in English and German

### What's in it for you:

- Beyond Now Benefits:

- The opportunity to grow with a global, innovative company, giving you the possibility to influence and shape your role and environment
- Express yourself and your creativity in an ascending company and be part of a great team
- The minimum salary intended for this role is EUR 2.850,- gross per month. However, we offer a salary in line with the market and an overpayment depending on your specific qualifications and professional experience
- We are looking forward to your application documents in English
